PROFESSIONAL SUMMARY

Recent Computer Science graduate and versatile fresher with hands-on exposure to full stack development, machine learning, ethical hacking, and e-commerce entrepreneurship. Combines strong technical fundamentals with real-world business experience from founding and running an online venture. A quick learner with proven leadership training, disciplined work ethic, and strong communication skills, ready to contribute across technical, operational, or business roles in any industry.

KEY SKILLS

- **Programming & Development:** Java, Python, C/C++, JavaScript, HTML5, CSS3, Bootstrap, React.js, Spring Boot, REST APIs, MySQL
- **Technical Domains:** Machine Learning, Ethical Hacking, Mobile Application Development, Responsive Web Design
- **Tools & Platforms:** IntelliJ IDEA, VS Code, Postman, XAMPP, Git
- **Business & Operations:** E-commerce management, online payment integration, inventory & product management, customer handling
- **Core Strengths:** Quick learning, teamwork, communication, problem-solving, leadership, and discipline

PROFESSIONAL EXPERIENCE

Full Stack Developer Intern | Izeon Innovation, Chennai *May 2026 – Present*

- Developed and maintained web applications using Java and Spring Boot.
- Designed responsive user interfaces using HTML, CSS, Bootstrap, JavaScript, and React.

Founder | Sivam Silks (Handloom Fabric E-commerce) *Ongoing*

- Founded and built a handloom fabric e-commerce venture targeting men and women, managing everything from product sourcing to online sales.
- Developed the venture's e-commerce website from scratch using HTML, CSS, and JavaScript, including Razorpay payment integration.
- Implemented separate admin and customer login systems, product management, cart and wishlist functionality, and local data persistence.

PROJECTS

FoodExpress – Food Delivery Application

- Developed a complete food ordering platform with authentication, restaurant management, subscriptions, and a responsive UI.
- **Technologies:** Java, Spring Boot, HTML, CSS, JavaScript, Bootstrap, MySQL

Finance Planner

- Built a responsive personal finance planner to help users manage income, expenses, and monthly budgets.
- Implemented interactive expense tracking and budget calculation using JavaScript.
